X. NEW BUSINESS:

- Brief discussion on gable wall non-structural header elimination. We’ve been speaking with a handful of contractors that say Redmond is the only jurisdiction enforcing this. 2021 ORSC N1104.5.2 (3) & Table N1101.1(1)
- We had a discussion with the Southern Oregon Chapter about meeting in Central Oregon for their ABM in July but our ABM is too far out to combine. Thought was to have us do a meeting with them anyway and they could just do their ABM but it looks like they are exploring other locations. So that sounds like a no-go.
- Reminder to get code update for Commercial Structural and Mechanical completed by June 1st and self-certify to BCD.
- Farewell to one of our Chapter members.

XI. CODE DISCUSSION/SPEAKERS:

-Brad Mandal: Discussion on ADU’s, Gathering date changes to the 15th for this months Meeting.
